GO BEYOND™

### North Sails – “Fall Club Challenge”

October 1, 2016 to October 21, 2017  
North Star Sail Club - Falls Series

North Star Sail Club is proud to invite all sail clubs to compete in the  
**North Star Sail Club – North Sails – “Fall Club Challenge”**

North Star Sail Club with the support of **North Sails - Detroit** added the **North Sails – “Fall Club Challenge”** to its Fall Series Race. The **“Fall Club Challenge”** open to all clubs to compete in. The Club Challenge Flags will be presented to the sail club that competes in the North Star Sail Club - Fall Series and meets the challenge criteria.

#### Club Challenge criteria:

1. Club must enroll three boats in the North Star Fall Series to qualify
2. The three boats must be identified before the start of the Fall Series
3. The boats can compete in either the PHRF or JAM classes
4. There is no division of club boats by Rating or Class to qualify for starts. A club may have more than one boat in a class.
5. Participating boats cannot change class start once the Fall Series has started.
6. Participating boats will be scored on total points for all races, no throw out race(s).
7. If one of the competing boats cannot make a race it will be scored with one point more than the boats that compete in that class start for the race.

The **North Sails – “Fall Club Challenge”** provides area sail clubs the opportunity to compete in a four weekend race series, five to seven races, the race schedule includes a combination windward/leeward, buoy and distance races. Sign-up: <http://www.yachtscoring.com>. Competing clubs are asked to notify the race committee on or before the start of competition.

This year a “Level 35” start has been added to the series start agenda to provide the level 35 sailors a chance to competitively close out the sailing season. This year's Fall Series is sponsored by EZ Moving and Storage.

**What a better way to wrap up a sailing season with some good inter-club competition.**

Call North Star Sail Club and our fleet captain will work with all participants to get them a well to keep their boat in for the series. Contact NSSC a 586-463-2192.
