

North Star Birthday Race

North Star Women's Race

Sponsored by

(Two races at North Star Sail Club to celebrate the club birthday and our women sailors)

Sunday, September 10, 2017

North Star Sail Club and the North Star Race Committee will celebrate the club rich heritage with what else but a sailing celebration. This year we will also be providing the women sailors of the club with an opportunity to display their sailing skills with a Race within a Race as part of the club celebration.

There will be both JAM and PHRF Class splits for all to sail. There will be just one start for all women sailors. Awards will be presented based on participation in either PHRF or JAM. **Each participating skipper will receive a Bad Brad's – Glass Mug with the 2017 North Star Birthday Race etched in the glass.**

Dinner offered at the club following the race. Sponsoring this year's celebration is Bad Brad's BBQ.

Come join the club in celebrating the best sailing club in Anchor Bay. Home of the friendliest sailors. Great sailing, great food and a great opportunity to sail in a friendly yet competitive venue will be offered.

Any input, suggestions and comments can be directed to the North Star Race Committee. Final race format will be posted at the club on September 11th.

We encourage and support our club women sailors and all North Star sailors to participate in this race.
