

# 2017 Sloman Scramble

## North Star Sail Club

The ultimate club fun race event this year, “Sloman Scramble”, will take place on Sunday, September 17<sup>th</sup>. Jeff Jones & Michelle Krembel are graciously sponsoring the race where the entire club can have fun racing and the party / dinner at the club after the race for everyone to enjoy.

We are again keeping with the tradition of the pirate theme for the race, so get your pirate garb dusted off and bring out the whole family for a fun day on the water and at the club following the scramble. Pirate garb both on the water and at the club after the sail. (Remember safety first when sailing)

Jeff Jones will once again be sharing his culinary skills and will be serving dinner with all the fixings for the club after the scramble at the club on our new picnic tables after the race.

Every club boat that races will receive a North Star Sail Club – Seahorse – Sloman Scramble Mug. (designed by Jeff)

We will be sailing jib and main on the lower triangle of the Anchor Bay course. It's a “*pursuit*” start so everyone gets an assigned starting time in minutes and seconds after the starting signal. Slower rated boats start first and the hot shot racer guys must wait, giving the slower boats a chance to show off their stuff. Make sure you know your boats starting time (they'll be posted on the NSSC Website, on the club bulletin board inside and the race notice board outside).

The “Sloman Scramble” was started by Bill Sloman, who wanted an event where every boat owning club member got a chance to sail in a fun race all at the same time. A race where everyone would have a chance to finish first and all nearly at the same time.

**Arr** you ready? – You **Arr** going to have a good time with all your fellow club members, at what has turned out to be a top club fun event!
