1ST WARNING AT 12:25PM

ALRIGHT MATEYS' GET YER BEST PIRATE GARB DUSTED OFF AND GET OUT FOR A FUN TIME ON THE BAY. WE'LL BE SAILING THE LOWER TRIANGLE IN ALL JIB AND MAIN FINERY AND PARLAYING AT A PIRATES FARE ON THE YARD AFTER THE SAIL.

This annual sail was started in the 60's by Bill Sloman as an event where every boat owning club member would get a chance to sail all at the same time and everyone would have a chance to finish first and all nearly at the same time. It's a "pursuit" start so everyone gets an assigned starting time in minutes and seconds after the starting signal. Slower rated boats start early and the hot shot racer guys have to wait till the end to get going. Make sure you know your boats starting time (they'll be posted on the NSSC Website, club bulletin board inside and the race notice board outside).

There will be plenty of awards for the first boats to finish, best dressed skipper and crew, best pirate, youngest or oldest crew/skipper, most family members, most spirited crew and few others I'll think of by the time we get to the finish..

We'll have Fajita Dinner with all the fixings provided after the sail on the club lawn after the race.

ARRGH!! GET THERE OR I'LL HAVE YE FLOGGED *Blackbeard*
